electrolysis

A method of removing individual thick hairs from the face using a small needle inserted into the hair follicle. Today's medical electrolysis devices destroy the growth center of the hair with chemical or heat energy. After a very fine probe is inserted into the hair follicle, the hair is removed with tweezers.

Course of 6 (40 min) treatments	£200

semi permanent

Semi Permanent make-up

These fantastic treatments will appeal to any woman who requires greater definition for their eyebrows, eyes or lips. Our cosmetic Tattooing Professionals will provide a full consultation and assist you in choosing the shape, colour and style you require. Once you are happy the treatment will commence. It is a very safe and reasonably comfortable treatment. An ideal treatment for anyone who regularly uses eyebrow pencils or who has little or no eyebrow. A must for women who regularly apply eyeliner or have difficulty in applying eyeliner and essential for women who want the confidence that their lips always look perfect.

Eyebrows - new set	£295
Eyeliner - top & bottom	£220
Eyeliner - top only	£180

All treatments include a free colourtouch after 4 weeks, this must be before 3 months.

This top up is necessary - sometimes with lips and eyeliner a third treatment may be required.

Eyeliner colour touch is usually required after 2 - 3 years from	£95
Eyebrow colour touch is usually required after 12-18 months - from	£115

For more information please ask your therapist.
